Re: Anderson et al. v. River Greene Construction et al.
16-cv-03684 (JMF)

Dear Judge Furman:

Consistent with the Court's order (dkt 121) I submitted a letter motion as to why sanctions should not be issued against me (dkt 122). I apologize for submitting this letter motion marked "discovery" but there was no category for "sanctions" in the "motions" category. I also searched under "motions and related filings" so as to submit a memorandum of law but the Court's order to show cause was not listed.

I appreciate the Court's patience.
